Frame: Framed.

Condition:  
Occasional minimal bunnings on the edges. Verso mounted. Otherwise very good condition.

With Parkett magazine.

"(Ackermann's) subjective anti-maps decompose the territorial order usually associated with various kinds of urban and suburban spaces, willfully corroding the representational protocol of topographical systems, while suggesting that there is always an interconnection between organization and chaos."

Joshua Decker, Parkett no. 68, 2003.

[Article on the work and artist from Parkett edition no. 68.](#)

Estimate: 500 € - 1.000 €; Hammer: 900 €
