Exhibitions:

- Helsinki City Art Museum 2005

Literature:

- Exhibition catalogues Japan Pop, Helsinki City Art Museum 2005, ill. p. 44

This work references Cindy Sherman's "Untitled #96" from 1981. Morimura stages himself analogous to Sherman's well-known piece. In the manner of "Appropriation Art" he appropriates her work, thus carrying over the feminist discourse started by the female artist into the area of queer debate.

Estimate: 8.000 € - 12.000 €; Hammer: 8.500 €
