LARGE, PARTIALLY GILT SILVER CENTERPIECE IN GOTHIC STYLE.

Heilbronn.

Maker/Designer: Bruckmann & Sons.

Technique: Silver with gilt interior.

Description: Large round foot with godron decor and decorative frieze. The sturdy shaft with straight lines. On top the widely protruding body with a strongly humped surface. A wide decorative band runs around the centre, decorated with large blossoms between tendrils. The hooded lid humped correspondingly to the wall and with a knob reminiscent of a gothic finial.

Weight: 3410g.

Measurement: Height 47cm, ø 29cm.

Mark: Crescent & crown, standard 800, maker's mark. NR.10931.

Estimate: 4.800 € - 5.000 €
