### SILVER BOWL ON HIGH FOOT.

Origin: China.

Dynasty: Qing dynasty.

Date: 19th c.

Technique: Silver in repoussé.

Description: The bulbous, a bit compressed bowl with eightfold curved rim, the high foot indented and set off with lines. Circumfencing the wall a garden landscape with ladies and gentlemen beneath trees playing, making music, entertaining, enjoying incense and dancing. The background with dense punching.

Measurement: Weight 1006g, height 16cm, Ø 24cm.

Seal: Underneath a hallmark: De Cheng Lou.

### Provenance:

Estate of a German railway engineer, Julius Dormmüller (1869-1945) who stayed in China between 1907 and 1918 and helped design the Chinese Schantung Railway, and thence by descent.

Estimate: 1.600 € - 2.000 €; Hammer: 2.600 €
