LÜPERTZ, MARKUS
1941 Liberec/Bohemia

Title: Hirte mit Widder.

Date: Ca. 1988.

Technique: Woodcut on thin paper.

Depiction Size: 200 x 160cm.

Notation: . Inscribed and monogrammed.

Publisher: Galerie Sabine Knust, Munich (publisher).

Number: EA.

Frame: Framed.

Condition:

Sheet slightly wavy due to creation process. Various creases, especially in the margins. Along the upper edge of the sheet brownish spots, probably due to fluid exposure. Four tears (up to max. 5cm) in the upper margin and two tears (up to max. 15cm) in the right margin. In the lower edge of the sheet a small tear (ca. 1cm). Left and right margins slightly irregularly trimmed. Some traces of paint and fingerprints in the margins due to creation process. Due to the size of the sheet, some of the damage will probably already have occurred during the creation process. Not examined out of the frame.

The present sheet was published outside the official edition of 10 numbered copies.

Provenance:

- Private collection Germany (directly from the artist)
- Private collection Austria
