### KNEELING MARY MAGDALENE.

Germany.

Date: 17th century.

Maker/Designer: In the manner of Justus Glesker (1610/23-1678).

Technique: Carved ivory. Mounted on a small, ebonised wooden pedestal with velvet covering.

Description: From a crucifixion group.

Measurement: Height figurine 10cm. Height pedestal 16,5cm.

Cites available.

A comparable small sculpture of Mary by the hand of Justus Glesker, is in the collection of the Victoria & Albert Museum in London.

Please note that this object was manufactured using materials for which a CITES permit is required when exporting to countries outside the EU treaty area and marketing within the EU. We draw attention to the fact that an export permit will not be issued.

Estimate: 3.500 € - 4.500 €
