ALTAR VASE.

Origin: China.

Dynasty: Qing-period.

Technique: Bronze.

Description: In the form of an archaic cup of the GU type with a funnel-shaped opening and with bars at the foot, middle section and neck. Decorated in cast relief with lancet leaves around the neck and with stylised dragons over a leiwen ground around the centre and foot. Remains of a black-brown lacquer patina.

Measurement: Height 14cm.

Signature: Without detectable marks.

Supplement: Bottom is missing.

Estimate: 700 € - 900 €
