Condition:

a) Scattered across the sheet there is paper residue resp. paper loss. A sheet of paper was probably laid on the sheet while it was still damp and when separating them, residues of the paper stuck to the artwork and some material of the artwork came off. Sheet minimally wavy due to the mounting. b) Occasional minimal bumpings to the edges. Verso remains of an old mounting as well traces of creation process. Otherwise good condition. c) Minimal traces of handling. Occasional minimal bumpings to the edges. Verso traces of creation process. Otherwise good condition. d) Small tear in the left sheet margin (ca. 0,3cm). Occasional minimal bumpings to the corners. Otherwise good condition. e) Crease in the lower right corner. Slight crease in the lower left corner. Minimal traces of handling. Verso minimally discoloured as well as traces of creation process. Otherwise good condition. f) Minimal traces of handling. Minimal crease in the upper left corner. Verso traces of creation process. Otherwise good condition. g) Due to manufacturing process minimally wavy. Minimal traces of handling. Verso traces of creation process. Otherwise good condition.
