BAROQUE CHEST OF DRAWERS WITH DISPLAY CABINET TOP.

Wohl Umkreis Main, Franken, Würzburg.

Date: Around 1760/65.

Technique: Softwood body with walnut, maple and other veneers.

Description: Curved base with three drawers and geometric inlays as well as a pull-out writing desk. The top is glassed on three sides, with double-doors and three small drawers on four small rocaille feet. The three drawers decorated with fine inlays with architectural landscapes.

Measurement: 218,5x139x69cm.

Provenance:

Private collection Rhineland.

Literature:

- Dobler, Uwe: Barockmöbel. Bürgerliche Möbel aus zwei Jahrhunderten, Augsburg 1992, compare further examples of this type of furniture p. 108f.

- Schatt, Christian: Barock- und Rokoko-Möbel. Mobiliar aus Bürgerhäusern und Herrnsitzen des 17. und 18. Jh., Munich 2000, compare similar examples of a loose placement of the top on the commode p.140 and 149.

The emerging desire for a luxurious lifestyle and its display helped this type of furniture to flourish. Finally valuable porcelains could be displayed in a representative manner.

Estimate: 5.000 € - 6.000 €; Hammer: 5.500 €
