Fotoexpertise der Niki Charitable Art Foundation

The work is accompanied by a photo expertise from the Niki Charitable Art Foundation, Paris, dated 2nd June 2022.
The sculpture is listed there in the archive under the number 05-1970C-188.

Provenance:

- Galerie Stangl, Munich
- Lauffs Collection, Bad Honnef

- With her colourful and emphatically voluptuous "Nanas", the artist became world-famous and was one of the early representatives of a new image of women
- The "Nanas" have become a symbol of female self-confidence and strength
- From a series of unique works in the tradition of prehistoric and early historical representations of the Magna Mater, goddess of fertility.

Estimate: 40.000 € - 60.000 €; Hammer: 85.000 €
