Date 17.11.2022, ca. 19:33

Uecker, Günther
1930 WENDORF

Title: Electronic Salat.

Date: 1994.

Technique: Plate with electronic parts cast in synthetic resin.

4 x Ø 24,5cm.

Notation: Signed and dated under the synthetic resin.

Publisher: Westdeutsches Werbefernsehen GmbH, Cologne (publisher).

Condition:

Cracks running through the sythetic resin (due to the manufacturing process?). Minimal accumulation of dust in the depressions. Minimal stains on the underside due to the suspension. Otherwise very good condition.

Publisher's label with typographical work details on the underside. The mounting is not original. Limited edition. Due to the individual design, each plate has a unique character

Estimate: 600 € - 800 €; Hammer: 600 €
