- Kallir, Jane: Egon Schiele - The Complete Works, New York 1998 (2nd ed.), cat. rais. no. 1010, ill.

- In his short life Egon Schiele created a groundbreaking oeuvre and had a lasting influence on generations of artists  
- His drawings of women are internationally celebrated as one of the most powerful representations of the human figure in the 20th century  
- The drawing is characterised by delicacy and erotic intensity, which is characteristic for Schiele's art.

Estimate: 100.000 € - 150.000 €; Hammer: 72.000 €
