With Parkett magazine.

"The subject matter is of little importance, and ultimately, what is on view matters just a little. It is always the same story: all images are of equal value, all scenarios are possible. Breuning's motto encapsulates it: 'Whatever.' His works are extraordinary catalysts for interpretation, powerful scenario-machines, intriguing and visually fascinating tableaux, but at the end of the tunnel, the message is clear and unequivocal: 'Whatever.'"  
Marc-Olivier Wahler, Parkett no. 71, 2004.
