"Of course, Gates's buildings, ceramics, sculptures, performances, events, and finances are executed by many hands, minds, eyes, and voices. This too is sign of his cosmopolitanism - his willingness to be constantly in exchange with others, and to encourage exchanges among individuals. These exchanges are central to his objects and environments, however beautiful they may be."

Christine Mehring & Sean Keller, Parkett no. 98, 2016.

[Article on the work and artist from Parkett edition no. 98.](#)

Theaster Gates designed the pavilion for the Serpentine Gallery in London.

Estimate: 1.000 € - 2.000 €; Hammer: 1.000 €
