"Marilyn Minter's gorgeous paintings and photographs give free rein to her and our love for extreme sensuality, for shine and hot color, and for soft, wet skin, what lends her work its electric intensity and emotional depth is her equal affection for the real people, the raw material of these love objects and images. For her, the only thing as sexy as a sparkle is a freckle."

Katy Siegel, Parkett no. 79, 2007.
