Condition:  
The exhibition copy of the work is fully functional. The cassette could not be checked for functionality.

Enclosed with the work is an exhibition copy of the video on USB stick.

With Parkett magazine.

"One suspects that Nauman would agree with Wittgenstein that language has meaning only in use, and its users are bodies. In the recent work, he seems to want to metaphorically slow language down (perhaps now recognizing that it cannot be really stopped to show that, although language may live on, bodies do not)."  
Jeanne Silverthorne, Parkett no. 10, 1986
