"We all know that no holds are barred when Jorge Pardo is at work. Neither floor covering nor pictures, books nor beds, lamps, houses nor boots escape his attention. He addresses such diverse fields as interior design, arts and crafts, graphic design, and architecture. Common to these uncommon works is one thing only: They all deal in curious cycles of contradictory settings. Pardo speaks of tonality that motivates his delight in speculative experimentation."

Christina Végh, Parkett no. 56, 1999.
