"Rist's work has always contained an element of pain alongside pleasure, and blood is a reminder of the life force. In her life-size cutout self-portrait THE HELP (2004), a limited edition for Parkett 71, a streak of blood runs from underneath her red polka-dot dress all the way down one leg into her red shoe - matching the red knee-high sock on her other leg."

Juliana Engberg, Parkett no. 100/101, 2017.
