With Parkett magazine.

"You can say that's a return to an old notion of the Baroque, but whatever it is, it takes you into the field, into the interstices between the pieces, and allows for flow and movement, and it doesn't reduce to any imaginistic awareness or gestalt; you never know the configuration."

Richard Serra quoted in Hal Foster's text, Parkett no. 74, 2005.

[Article on the work and artist from Parkett edition no. 74.](#)

Estimate: 1.000 € - 3.000 €; Hammer: 3.500 €
