"Art has many different levels and you have to make your own level. You have to decide where you want to be, and then just go for that. It doesn't have to do with anything else in the world. Just yourself. You get there, and maybe nobody sees it, but you get there. It is, at least as I think of it, a spiritual thing."

Rirkrit Tiravanija, Parkett no. 44, 1995.
