LARGE PORCELAIN TUREEN WITH FINE MYTHOLOGICAL DEPICTIONS.

Meissen.

Date: 18th century.

Technique: Porcelain, painted in colours.

Description: The form spherical with a cone finial. On the side of the lower part and the lid with mythological depictions after the poems of Ovid: depiction of a river god with a female entourage, looking in the direction of a docking ship, out of which Odysseus is jumping. Opposite a sky scene with a chariot drawn by two horses and putti. Behind Apollo with golden arrow and the beloved Clytia. On the tureen lid the depiction of Athena with helmet, sword, and shield. Next to it a representation of a hero with breastplate. The third motif is a putto with an imperial orb and a large stone tablet with the August Rex monogram.

Measurement: Height 24cm, ø 21,5cm.

Mark: Swords mark, painted blue under glaze.

Estimate: 2.500 € - 3.000 €; Hammer: 2.600 €
