- The dense, white grid structure and the swirling ductus in the interspaces create a fascinating, moving surface  
- In his early ZERO works, Heinz Mack liberates the essence of colour itself through the arrangement of linear structures and manifests a kinetic dynamic  
- With over 400 solo exhibitions and works in over 140 public collections, the artist is one of the major contemporary German artists

Estimate: 380.000 € - 450.000 €
