- cf. Exhib. cat. Drucksache Bauhaus, Staatsgalerie Stuttgart, 2020, cat. III 1-14, ill

- Kleine Welten was created shortly after Wassily Kandinsky returned to Germany and joined Paul Klee at the Bauhaus

- The influence of Constructivism is evident in this series, as is Kandinsky's central interest in the psychology of color, expressed through geometric forms that are exclusively abstract in character

- Particularly well-preserved copy with freshly colored prints
Estimate: 80.000 € - 120.000 €; Hammer: 90.000 €
