NAHL THE YOUNGER, JOHANN AUGUST
1752 Zollikofen - 1825 Kassel

Title: Cornelia, Mother of the Gracchi.

Technique: Oil on paper.

Mounting: Laid on canvas.

Measurement: 32 x 38cm.

Frame: Framed.

Verso.

Inscribed on the stretcher: "Nahl a Rome / S. Louis".

Provenance:

Private ownership, Germany.

The Staatliche Museen in Kassel keep a comparable drawing with the same theme by Nahl the Younger as well as the painting "Olint und Sophornia", which is stylistically very closely related.

It can therefore be assumed that the work presented here was created during his stay in Rome from 1774 onwards.

Estimate: 1.500 € - 3.000 €
