Hering, Michael (ed.): K.H. Hödicke, vol. "Mixed Media", Cologne 2020, p. 162

Berlin has had impressive winters with endless amounts of snow. Berlin is so far east that we have a continental climate with icy winter air that is crystal clear.

In my studio on Dessauer Straße, the vast wastelands around me were transformed into endless white snowy landscapes under the masses of snow. Only the occasional car drew lines in the snow. - Painting snow alone is almost impossible, but it is attractive.

Estimate: 2.000 € - 3.000 €
