- White Cube, London 1996

Jack Pierson is best known for his melancholic photographs, hazy drawings and his "word pieces" formed from old signs. The work presented here is part of his series of photo-paintings. In these works, photographic images are scanned with a computer, which then sprays them onto the canvas with paint. Two copies of the work "Atlantis" were produced in this way.

Estimated shipping costs for this lot:

This lot is unsuitable for parcel shipping. Shipping only by forwarding agent by arrangement after the auction.

Estimate: 10.000 € - 15.000 €; Hammer: 10.000 €
