Literature:

Ricke, Helmut und Schmitt, Eva (ed.): Glas des Art Nouveau. Die Sammlung Gerda Koepff, Munich 1998, cf. there one special edition of this series for the world exhibition in Liège in 1905 with vine leaves after a draft by Henri Bergé, p. 216f., cat. rais. no. 105.

The vases of this luxury series are characterised by the unusual choice of colours and the plastic details that were applied while being hot. First applications of this kind have been known since the world exhibition in Paris in 1900.

Estimate: 14.000 € - 18.000 €; Hammer: 10.000 €
