LARGE GLASS GOBLET-SHAPED FLOOR VASE PAPILLON DECOR.

Loetz Witwe. Klostermühle.

Date: Ca. 1906/1910.

Technique: Acromatic and green glass, overlay with iridescent violet and mother-of-pearl-coloured matt lustre overlay.

Description: The funnel-shaped vase on a wide base. The lip rim is indented several times and thus has an undulating appearance, which is echoed in the combed decoration on the wall. Combed decoration of golden yellow, mother-of-pearl and violet threads, matt lustre on the wall.

Measurement: Height 64cm.

Estimate: 2.000 € - 2.200 €
