### BRONZE PRIEST'S BELL (GHANTA).

Origin: Tibet.

Technique: Bronze/ bell metal.

Description: The handle of the bell consists of the head of Vairocana and half a vajra. The body of the bell, cast in shiny silver bronze, is decorated in relief with monster masks, a vajra band and an eight-petalled lotus containing the seed syllables of four of the five transcendent Buddhas and their partners.

Measurement: Height 18cm.

Estimate: 500 € - 800 €
