**Provenance:**

We want to thank Dr Katja Pourshirazi, Bremen, for her help cataloguing the present painting.

Fritz Overbeck liked to label studies on cardboard with the date but without the year, as is also the case here. Dr Katja Pourshirazi from the Overbeck Museum, Bremen, considers a date around 1896 to be possible for stylistic reasons. There is no executed canvas version of the motif. However, paintings from around 1897/98 take up the red house behind birch trunks in a varied form.

Estimate: 6.000 € - 8.000 €; Hammer: 5.000 €
