SMALL PORCELAIN SERVING BASKET WITH SEASONAL MASCARONS.

Meissen.

Date: After 1770.

Technique: Porcelain, enriched in colours.

Description: Handled basket with basket relief on the wall. A handle on each of the narrow sides, each with two mascarons. These show the seasons with corresponding headdresses: spring with floral decorations, summer with ears of grain in the hair, autumn with vine leaves and winter with leafless branches.

Measurement: 12x24x14cm.

Mark: Swords mark, painted blue under glaze. Embossed number 33.

Provenance:

Private collection Bavaria.

Estimate: 300 € - 500 €; Hammer: 550 €
