HORIZONTAL BRASS TABLE CLOCK.

Wagner, Johann Heinrich. Pirna

Date: Ca. 1700.

Technique: Fire-gilded brass, welded steel, glass amongst others.

Description: Square case with glazed sides on four silver-plated feet in the shape of winged claws holding a sphere. Mascarons and relief ornamentation on the corners of the case. The silver-plated chapter ring with Roman hours and Arabic minutes, the alarm disc in the centre. Small ornamental reliefs with applied shells in the spandrels on the top. Hour and alarm chime, base bell, verge movement with chain & fusee, 2 engraved barrels for striking and alarm work, 1 engraved hammer with engraved dog's head, a two-sided hammer, count wheel for striking work, florally pierced and engraved spindle clamp, silver regulator disc.

Measurement: 10x11,5x11,5cm.

Mark: Inscr. on the backpanel 'Iohann Heinrich Wagner Pirna' (died 1748, Abeler p.581).

Estimate: 9.000 € - 11.000 €
