BRASS RENAISSANCE TABLE CLOCK OR TUERMCHENUHR.

South Germany.

Date: Ca. 1600.

Technique: Brass and copper, fire-gilded, iron, ebonised wood.

Description: On a square base with flared sides, the tall rectangular body with finely moulded columns in relief on the corners. The upper cover plate with matching rim, vases mounted on each corner. The bell on top crowned with a figure of Justitia. Finely engraved ornamental decoration and figurative depictions on all sides. The Nativity on the front, the Annunciation on the back and the Crucifixion of Christ and Mary Immaculate on the sides. The front plate with applied ring dial with Roman hours and Arabic minute track. Small studs above the hours for night reading. Central alarm disc, iron hands. Control dial on the back for the hour striking mechanism and slightly later, fixed pendulum. The side panels are removable and reveal the iron wheel train with two engraved barrels and verge escapement. Hour and alarm strike via two hammers on an overhead bell.

Measurement: Height incl. plinth 25cm. Clock 21x11x10,5cm.

Mark: Engraved monogram HK (lig.) on iron frame.

Wooden plinth later.

Enclosed: Key.

Estimate: 14.000 € - 18.000 €
