Subtitle: Portfolio with 416 offset lithographs and 11 long-playing records.

Date: 1980/81.

Each offset lithograph on coated paper. Different dimensions. Each: 42 × 29,5cm. In two original caskets. Monogrammed on the casket of the LPs as well as with stamped numbering on the first sheet. Additionally verso typographically titled, dated as well as equipped with information on the work and the copyright of the artist. Hanne Darboven (editor). Copy 94/250.

Condition:

The caskets with few, slight traces of use. Cover sheet with partial yellowish discolouration. The first 100 sheets with small pinholes and partly with minimal compressions. Otherwise very good condition.

Hanne Darboven's "Wende 80" is a complex multimedia installation.

The works are aligned in a grid that is reminiscent of the structure of time and memory. The long-playing records additionally hold acoustic elements that complement the visual material and enable a synesthetic experience. This combination of visual and auditive media mirrors Darbovens interest in the connection of numbers, language and music.
