WALTHER, FRANZ ERHARD
1939 Fulda

Title: "Politisches Objekt" (Kreuz Verbindungsform).

Date: 1967.

Technique: 2 fabric crosses made of wine-red cotton fabric, with oval cut-outs. Cover made of nettle fabric.

Measurement: Big cross: 680 x 680cm. Small cross 139 x 139cm. The fabric panel is 46 cm wide.

Notation: Titled on the bag: POLITICAL OBJECT as well as inscribed 3 (circled).

This work is object 36 from the first set of works created by the artist in the 1960s. There are eight complete sets of works, and the works from five other sets were sold individually. This work is from the edition of five. The exact edition number is unknown.

Each of the four users hangs one end of the cross around their neck. They stand in the manner determined by the work, but the strips of fabric should not be noticeably taut. After a while, the large cross can be exchanged for the small one.
