HÖLZEL, ADOLF
1853 Olmütz - 1934 Stuttgart

Title: Untitled.

Date: Around 1890.

Technique: Watercolour on grey-brown vellum.

Measurement: 23 x 52,5cm.

Notation: Signed and illegibly dated lower right: A. Hölzel 93. (?).

Condition:

Sheet slightly irregularly discoloured as well as minimally foxed. Remains of an old mounting at upper and lower edge. Verso traces of an old mounting as well as slightly irregularly discoloured. Otherwise very good condition.

The date is hardly decipherable. However, an assignment to the Dachau period is obvious due to stylistic reasons.

Estimate: 3.000 € - 5.000 €
